

Keeping Worship Fresh

Key Verse: Isaiah 43:19 (NKJV) – “Behold, I will do a new thing, now it shall spring forth; shall you not know it?”

1. Do you find yourself “looking in the rearview mirror” when it comes to thinking about what God has done/is doing in your life? Share some of the dangers that you think come with “camping out” in the past, while God is desiring to impart new things to us.

2. Pastor Matt talked about how worshipping God in new places/new settings can help keep our worship fresh. One way we can do this is through attending special events. When is the last time you personally stepped out and did this? Is this difficult or easy for you to do?

3. How would you characterize your current level of obedience to God in matters that He brings to your attention? What needs to improve (in your response to Him) for you personally?

4. Read 1 Corinthians 14:13-15. In what ways do these verses challenge you as a Christian, in your walk with the Lord?
